JOB CONTENT:

- ^ Developing and maintaining Business applications based on C#, Angular and MSSQL.
- ^ Installation, creation, configuration and maintaining different business tools
- ^ Active contribution in company projects, in collaboration with the IT Manager
- ^ Provide daily technical support on inhouse developed applications, upgrades and troubleshoot hardware and software systems.
- ^ Pro-actively monitor the quality of our inhouse developed applications and contribute on improving our internal applications and development procedures in collaboration with the IT manager
- ^ Pro-actively bringing our IT architecture in line with business processes and business needs in collaboration with the IT Manager.
- ^ Support in all day-to-day IT management and enhancements of Key IT solutions

YOUR PROFILE:

Master's degree in IT
Excellent knowledge of Dutch OR French and a very good knowledge of English

WHAT WE BRING TO YOU:

A challenging position with a lot of variety in a fast-growing organization. An opportunity to develop a wide set of IT skills (support, database management, application development, ...) and your personal skills as a starter in an open-minded environment which is willing to listen to your ideas and approach.

At **CALYSTA** you have real impact, because together with your outstanding, helpful colleagues you look for innovative applications that offer an answer to our business challenges.

WHAT YOU BRING TO US:

- ^ You have **an eye for detail** and **precision** and you are **well organized and efficient**
- ^ **Smart** and **ambitious** approach
- ^ **Fresh** and **motivated** team spirit
- ^ **Your contribution** in the entire application lifecycle, from development until support.
- ^ An eager and **self-learning attitude**
- ^ You are **dynamic, energetic, solution minded**, and you have a **positive team spirit** and a sense for **responsibility**

YOU CAN COUNT ON:

A full-time contract for an indefinite period. An attractive salary supplemented with legal benefits (Group and hospital insurance, meal vouchers, eco-vouchers, sport & culture vouchers company car and fuel card, bonus,..). A good work – life balance with flexible working hours and the possibility to work from home. Our office is located in Diegem (near the railway station).
